

Roommate Agreement

1. Thou shalth noth kill thy roömmaet (withouth cønsent). Even if he snoreth or thou shalth fetch straighth A's as a consequence.
2. You do not masturbate in the room and should rarely get boners save the morning glory.
3. If no one is in the room at least one window shall remain open to let off the bad smell of the three of us' testicle smells combined. However, if it is raining or snowing this rule is disregarded.
4. You are not allowed to go through your roommate's laptop. Except for April Fools' Day.
5. You restrict your farts in the room and minimize the diffusing of stink from your potentially smelly clothing.
6. You need permission from respective roommates to play music and this permission may be revoked.
7. Tuesdays are tickle-your-roommate days.
8. Studying at night while roommates are sleeping involves only using desk light, if permitted.
9. No smoking in the room, drinking only with permission.
10. No shows of affection (No gay shit).
11. No stealing from roommates :-)
12. Eating roommates' food conducted only by consent, unless the cost was shared.
13. Saturdays are teach-Yusuf-Turkish days.
14. No swearing in the room unless it is directed at the infamous ruling party, BJP (Blowjob Party? [citation needed]) of India.
15. No taking pictures of roommates in the room without consent.
16. DOTA2 players are lame.
17. The password to WIFI in the room is 12893256.
18. On the nights of full moon, the roommates shall hold council and make amendments to the agreement.
19. The residents of Room 117 at Dormitory 77 reserve the right to amend the existing rules and add new rules if necessary. The roommates shall retain push access to the repository at <http://github.com/cagdasoztekin/roommate-agreement> as long as they remain residence at the room of interest and remain faithful to the Roommate Agreement.
